

## Solar Erectors Ltd

To: Solar Employees

March 20, 2020

### Hand Sanitizer

Please be advised that all Solar vehicles have been outfitted with hand sanitizer. The hand sanitizer is in the glove compartments of the erection trucks and on the console of the vans.

The hand sanitizer is to be used in the workplace and is not to be used for personal use as supplies are limited. Do not remove this product from the vehicles.

Please continue to practice good hygiene and be safe during these trying times.
